Dear Michael Kierl Orthodontics Family,

We at Michael Kierl Orthodontics will be following the recommendation of the American Dental Association and the Oklahoma Dental Association and suspend all but urgent and emergency care until we go to our El Reno office Friday April 3rd 2020. Our first day back in our Oklahoma City office will be Monday April 6th 2020.

We will still be following the policy of asking that only the patient come into the office while parents and family members wait in the car.

We are in a unique situation right now and each day brings new developments. Our hearts go out to all affected.

As always, we are closely monitoring the situation. We are all in this together and look forward toward a healthier future.

Sincerely,

Your Michael Kierl Orthodontics Team
